Volume 15, Issue 4 - March 2015

## From Our President...

Dennis Brunton  
Barrett Paving  
Materials, Inc.

March is here and we are about to embark on another construction season. Please join us for the Capital Improvements Program presentation on March 17, 2015 at the Original Montgomery Inn in Montgomery to find out about this year's construction projects, along with future work (design & construction) beyond 2015.

Also, the winners of the Donald C. Schramm Transportation improvement awards will be announced.

The ASHE National Conference will take place from May 27 thru May 31 in Baltimore, Maryland. Abundant professional development opportunities are available to further your skills through a comprehensive conference schedule and expansive networking opportunities. Please consider a sponsorship to promote your firm and support the conference. For more information on conference details, visit [www.2015conference.ashe.pro](http://www.2015conference.ashe.pro).

As always, please voice your concern to your elected representatives concerning highway funding. Our elected officials will only do something if they hear from their constituents. If our elected officials do not hear anyone's concerns, they assume that everything's okay. The squeaky wheel gets the grease. As part of the promotion to fix the highway funding, ASHE has produced stickers that can be put on your vehicle that state "Funding, Fix it Now." These will be made available at the March 17, 2015 membership meeting.

Triko Valley section is starting to delve into a community service project to give back to the community. Tom Nicholson, second year director, has agreed to chair this committee. If you have an idea, please contact Tom at [tnicholson@pretekgroup.com](mailto:tnicholson@pretekgroup.com).

If anyone would like to become more involved with ASHE Triko-Valley section and become a board member, please contact Eric Beck at [eric.beck@hamilton-co.org](mailto:eric.beck@hamilton-co.org) or myself at [dbrunton@barrett paving.com](mailto:dbrunton@barrett paving.com).

# ASHE PIN Report - March 2015

There are some reports that the climate in Washington DC is more positive and bi-partisan towards the passage of the Highway Trust Bill. This is a big step in the right direction, as now the Congressional leadership are talking about the impending May 31, 2015 deadline for the highway trust fund. However, the issue that has impeded the passage of the Highway bill in the past – how it is going to be funded - has not been resolved. The funding options being considered range from fuel taxes to tolls to overall tax reform. It is time for our ASHE members to reach out to your Congressional representatives and let them know how important this funding is to not only the transportation industry, but the economy as a whole. If you would like to participate the 2015 Transportation Construction Coalition Fly-in on April 14-15 at the Hyatt Regency in Washington D.C., please contact Caroline Duffy at [CDuffy@jmt.com](mailto:CDuffy@jmt.com) for registration information.

As the economy is improving, the local municipalities and counties in Ohio are not getting back many of the cuts that the State made to balance the budget. As a result, the local municipalities and counties are asking the Ohio legislature for local taxing authority to make up for this shortfall. Below is a table of what the locals are asking. Please contact your state representation and let them know you support this taxing authority of our local government agencies to fund much needed transportation projects in Ohio. Below is a summary of this legislation.

Taxing Authority	Amount	Distribution/Enactment
County	\$5.00	100% of the revenue is distributed to the county. Counties may enact this tax at any time.
County	\$5.00	The second new \$5 motor vehicle license tax would be available to the county for a four year period immediately following enactment of the law. The distribution on municipal registrations is 50% to the county and 50% to the municipal corporation. For township registrations, 70% of the revenue is distributed to the county and 30% to the township; except in the case of an urban township, distribution would be 50% to the county and 50% to the township. After the expiration of four years, any county that had not taken action could enact the tax in any jurisdiction that has not taken action. The revenue distribution under this circumstance remains the same: 50% of municipal registrations to the county and 50% to the municipality; for township registrations it remains 70% to the county and 30% to the township, except for urban townships where the split would be 50% county/50% township. After the expiration of four years, any municipal corporation or township in a county that had not enacted this tax may enact this tax and retain all registrations within the jurisdiction.
Municipality	\$5.00	100% of the revenue is distributed to the municipality. Municipalities may enact this tax at any time.
Township	\$5.00	100% of the revenue is distributed to the township. Townships may enact this tax at any time.

# General Membership Meeting Minutes

## January 27, 2015 - Montgomery Inn

President Brunton called the meeting to order with the Pledge of Allegiance at 11:46 AM and recognized four guests.

Eric Beck introduced the Schramm Project Award presentations as follows:

### *Projects Under 5 Million Dollars*

Uptown Transit District

Southwest Ohio Regional Transit Authority

Mark Knolt, The Kleingers Group

HAM-50-29.75 Wooster Pike Revitalization

Village of Fairfax

Caroline Duffy, Barr & Prevost a JMT Division

### *Projects Over 5 Million Dollars*

East Main, 2nd & 4th Street Roadway Improvements

Village of Batavia

Don Bezold, B&N

Winton/South Gilmore

City of Fairfield

Ben Mann, City of Fairfield

ODOT Project 110553 IR 74/Beekman/Colerain

ODOT

Kate Holden, John R. Jurgensen

Secretary Emerick noted that the minutes of the last meeting were published in the November newsletter and asked if there were any corrections or additions. Joe Vogel moved to approve the minutes with a second from Mary Beth Elfers. The motion passed. The section received a certificate of recognition from the National Board for the 25th anniversary of our charter.

Eric Kistner presented the Treasurers report, noting an operating capital of \$21,322.32. Expenses totaled \$7,833.42 and income totaled \$4,260.00. There are currently 176 members including 4 student members. John Davidson raised a motion to accept the Treasurer's report, seconded by Mary Beth Elfers. The motion passed.

Caroline Duffy presented the PIN report, noting that there is renewed interest in raising the gasoline user's fee as the May 31st expiration date of the Highway Trust Fund fast approaches. Other proposals to fund the Highway Trust fund include the January 16th tax proposal and administrative action proposed

by President Obama that is aimed at promoting private investment. Public infrastructure bonds, which would be exempt from the alternative minimum tax, would be issued to finance infrastructure projects. A second source of funding is tax changes resulting in a revenue stream to fund construction. A third source is “dynamic scoring” that allows the economic benefits justification from project implementations to be leveraged against the budget deficit. A fourth source from the republicans is to link the Transportation bill and the Keystone pipeline. ASHE members should contact their congressman and let them know that transportation funding should be made a priority. All ASHE members will receive bumper stickers urging congress to pass the transportation bill. A presentation template will also be provided on the National website to use for fundraisers ([ashe.pro/information/downloads](http://ashe.pro/information/downloads)).

Caroline also noted that the Lake Erie section has been awarded the 2018 conference.

Stan Harris presented the Regional Report and asked members to give him information for Scanner articles.

Dennis noted that the golf outing will be at the Vineyards again-date to be announced.

Matt Loeffler noted that the membership application is available on line.

There was no report from the student chapter

Steve Mary asked for ideas for the May meeting.

Vanessa will organize a March Madness Happy Hour again. June 9th will be the date of our Red's game event-watch for more information.

Bill Lawall mentioned that PDF certificates are on the table.

President Brunton asked for members to encourage submitting scholarship applications. Encourage your co-ops to submit scholarship applications.

The meeting was adjourned at 1:38 PM.

Respectfully Submitted:  
David Emerick

## Save the Date!

The 2015 Lloyd Wallace Memorial Golf Outing will be held Friday, June 19th, 11:30AM, at The Vineyard Golf Course, 600 Nordyke Road, 45255. Please plan on attending and consider sponsoring a hole.

The Reds game outing will be June 9th! Seats will be on 3rd level open air (Panoramic View - RedLegs Landing). This is a private venue along the right field side. A buffet & soda is included along with 2 drink tickets & personal bartender. The cost will be around \$60.00 per person.

## ASHE-TRIKO VALLEY 2015 Scholarship

The ASHE-TRIKO VALLEY section will be making scholarship awards to college enrolled students. It is anticipated that the awards totaling \$2,500 will be awarded annually.

College students going into final year of a transportation or construction related program, attending the following schools: University of Dayton, University of Cincinnati (College of Engineering and Applied Sciences), Cincinnati State and Technical College, and Northern Kentucky University or students who are full time residents within the ASHE TRIKO Valley geographic areas of southwest Ohio, northern Kentucky or southeast Indiana are eligible to apply.

Applications are due by Monday, May 11th, 2015 by 4 pm, and can be found at <http://www.trikovalley.ashe.pro/Scholarships.htm>

# Member Spotlight

We want our members to get to know each other! Each month, we'll feature a different ASHE member in our Member Spotlight! This month, we're featuring Aaron Muck!

**Name:** Aaron J. Muck

**Place of Work:** Terracon Consultants, Inc.

**Job Title:** Principal/Geotechnical Department Manager

**Degrees and Certifications:** B.S. Civil Engineering from Tri-State (Trine) University; M.S. Civil Engineering from Virginia Tech

**Where were you born?** Lockport, NY (about 20 minutes east of Niagara Falls); grew up in Wilson, NY

**Family:** Wife (Erin) and kids (Caleb-11/Nathan-9/Adah-7/Judah-5)

**What are your technical/professional interests?** I have been in geotechnical consulting for over 15 years and have primarily focused on transportation projects most recently. # New ASHE Sections

Greetings ASHE members,

The beginning of each year has traditionally been a time many of us devote to getting smaller based on New Year's Resolutions. We at the ASHE National level are interested in getting bigger! We have focused attention on more remote areas such as Portland, Oregon and Denver, Colorado amongst others. Our newest initiative includes seeing if there are opportunities closer to "home". "Home" meaning seeking potential new section champions which may be travelling to areas with current sections, or have a branch office in an untapped region of the country which may have an person interested in sharing the ASHE mission with others and getting a section started.

Anyone interested in discussing opportunities to start a new section are encouraged to contact either Tim Matthews or Perry Schweiss, Co-Chairs of the ASHE New Sections Committee (contact information provided below), or any one of the ASHE National Board members (contact information provided on the website - ASHE.pro). There are many resources available to assist in this endeavor including Powerpoint presentations, detailed guidance and procedures, etc.; all of which can be found on the website. The most important resource available however is also ASHE's strongest attribute...it's members!

We are 6,000+ strong with 41 active sections and, with your spark, we will continue to grow in membership and, as this initiative supports, geographically! We look forward to hearing from those with the pioneering spirit and enthusiasm to spread the ASHE mission!!

With sincere gusto!

On the left side of this sign is the ASHE logo, which is a shield with a red top half and a blue bottom half containing a white circular emblem with the text 'AMERICAN SOCIETY OF HIGHWAY ENGINEERS'. To the right of the logo, the letters 'ASHE' are written in large, bold, white capital letters. Below the green sign is an orange rectangular sign with the black text 'ENTER' on the left, a black upward-pointing arrow in the center, and the black text 'HERE' on the right. The background of the entire graphic is a light blue sky with white clouds. To the right of the highway sign, the word 'Values' is written in a large, blue, cursive font. Below it, the words 'Diversity', 'Innovation', 'Integrity', 'Fellowship', and 'Quality' are stacked vertically in a smaller, blue, sans-serif font.
