Volume 23, Issue 4 – March 2023

## From Our President...

Greetings ASHE! I hope this winter is treating you well and that good things are happening as we move into spring. Your ASHE TRIKO Valley Board is making plans as the warm weather is hopefully approaching (to stay).

This edition of the newsletter is packed full of new information and announcements. In particular, remember that for our annual Capital Improvements Program, we are joining the Southwest Chapter of the Ohio Contractors Association on Tuesday, March 14, 2023, at 5:00 pm. Please see the instructions that follow on how to register.

Since we are attending OCA’s meeting, we will keep the business part of our meeting brief, only providing announcements for some upcoming ASHE events and opportunities. Please mark your calendars for the spring highway cleanup, which is scheduled for Saturday, April 15<sup>th</sup> at 10:00 AM. In scholarship news, information will be posted on our website soon. Continue to check online for application deadlines and be sure to share with your co-op students and interns. The annual golf outing will be held on Thursday, May 11<sup>th</sup> at Glenview Golf Course. We hope you will participate as a golfer, sponsor, volunteer, or all of the above! We are excited to announce the winners of the Schramm awards which will happen during the meeting on March 14<sup>th</sup> with plaques to follow in May. The board and Schramm committee extend our thanks to the teams that submitted and presented their projects. The competition is always tough and this year was no exception.

It is also time to start thinking about our next ASHE TRIKO Valley Board First-Year Director. We are currently accepting nominations and the General Membership will vote at our May meeting. Please consider volunteering and serving on the board. I have learned so much and have found it so rewarding and I think our other board members would agree. Feel free to reach out to any of us for more information. And finally, don’t forget about the ASHE National Conference which is set for June 7<sup>th</sup> through 11<sup>th</sup> in Atlanta. The technical sessions, tours, and events planned are quite impressive.

With all of these events on the calendar, these late winter and spring seasons will be busy. Please join us for some or all of them and while doing so, help me thank our board of directors and committee chairs for their great work.

Sincerely,

Katie Dillenburger  
Bayer Becker

# ASHE-TRIKO VALLEY SECTION GENERAL MEMBERSHIP MEETING MINUTES

TUESDAY, JANUARY 24, 2023 | THE ORIGINAL MONTGOMERY INN, MONTGOMERY, OH

On January 24, 2023, the ASHE-Triko Valley Section held the first general membership meeting of 2023.

President Katie Dillenburger called the meeting to order at 11:41 am, welcoming attendees, and leading the Pledge of Allegiance. She reminded members that the 2023 ASHE Conference will be held in Atlanta this year from June 7<sup>th</sup> through 11<sup>th</sup>. Katie then reminded members to go to ASHE Triko Valley's LinkedIn page and follow the page for important information. Katie then asked for a motion to approve the November General Membership Meeting minutes. The motion was raised by Eric Beck and seconded by Caroline Duffy.

For the Secretary's report, Dan Springer notified members that the National ASHE Membership Register was reviewed and updated to match the Triko Valley Membership Register, which was completed in December 2022.

Eric Kistner presented the treasurer's report (see right). Katie then asked for a motion to approve the treasurer's report. The motion was raised by Todd Gadbury and seconded by Steve Shadix.

Caroline Duffy presented the PIN report.

Miracles are happening in Cincinnati! First, the Bengals are having a history making season by going back to the AFC championship in back-to-back seasons for the first time in the history of the franchise! Second, the Brent Spence Bridge project has obtained full funding for the companion bridge! While both feats seem like a miracle, in reality, a lot of planning and preparation by talented people have taken place overall several years that has brought success to both endeavors. Kudos to those involved with both efforts that are now coming to fruition for the Queen City. Anyone know how to suggest to Joe Burrow that he buy the naming rights of the companion bridge and call it the 'Who Dey' bridge with programmable LED lights that can change to orange and black? Who Dey!

# ASHE PIN Report – March 2023

The various grant programs generated from the Bipartisan Infrastructure Bill are now being awarded, such as The Safe Streets and Roads For All and the Reconnecting Communities Pilot Program grants. Still looming in the federal realm is the debt ceiling issue. Discussions in Congress about where to cut to reduce the debt include social security, medicare, and defense. Many in Congress deem these areas as ‘untouchable’ for reductions. Be aware that Congress may look for other programs to cut, including the appropriations for the Bipartisan Infrastructure Bill. Stay tuned.

On the Ohio state level, House Bill 23 has been introduced to the House Finance Committee on February 20. Reports show that the bill includes the creation of a \$1B Rural Highway Fund. Eighty percent of this fund will be used to finance projects on rural state highways and twenty percent will be used for local governments as local matching funds for TRAC eligibility. The bill also permits a community that is not part of a Transportation Improvement District (TID) to contribute toward the financing of a TID project. It would allow a TID to enter into an agreement with a group of contiguous counties, if the project is partially contained in each of the counties and has received federal funding. The bill would appoint a commission to determine additional connection points for the proposed Cincinnati-Columbus-Cleveland high-speed passenger transportation. And it will also require ODOT to ensure that limited access exit and entrance ramps exist on interstate highways every 4.5 miles in adjacent municipal corps, if each has a population of 35,000, they are in different counties and one of the counties has a population exceeding 1 million. While the bill is being discussed in committee, nothing has been passed as of February 28.

## 2023 ASHE TRIKO Valley Section Lloyd Wallace Memorial Golf Outing

The TRIKO Valley Section of ASHE will hold its annual golf outing on **Thursday, May 11, 2023**, at **Glenview Golf Course**. Our outing is named after Lloyd Wallace, former ODOT District 8 Deputy Director, in tribute to his contributions to the highway engineering field. The outing will be a scramble format with registration beginning at 10:00 am and **shotgun start at 11:00 am**.

We would like to extend an invitation to you and your firm to join us at the golf outing. The registration fee is \$100 per golfer, which includes greens fees with cart at an excellent golf course, box lunch with soft drinks, and hors d'oeuvres following golf. Prizes will be awarded to 1st and 2nd place teams. Contests will include longest drive, closest to the pin, and longest putt.

This outing is our sole means of raising money for the **ASHE TRIKO Valley Section Annual Scholarship Program** which provides yearly scholarships to college students who are scheduled to graduate in a transportation or construction program within the next two years.

A donation of \$175 would give your firm a sponsorship at the golf outing, either as a hole sponsor or as a beverage sponsor, with your firm's logo or name placed on a sign at the tee box or on the beverage cart circulating the course. A sponsorship donation of \$250 will provide golfers with a box lunch. Your firm's logo or name will be placed on a sign at the lunch pickup location. Special recognition for each sponsorship will be provided throughout the event as well.

Another method of advertising for your firm is to provide a "Door Prize" or "Cart Prize" (e.g., sleeve of golf balls, golf glove, divot repair tools, etc.). This is a great opportunity to market your firm as approximately 70 transportation and construction industry personnel will be participating, from consultants and contractors to clients and owners.

Please see registration and sponsorship information on the next page. Registration is also available online at [www.trikovalley.ashe.pro/golf/](http://www.trikovalley.ashe.pro/golf/). If you have any questions, please do not hesitate to contact me at 513-373-6469 or at [brian.rhodes@cincinnati-oh.gov](mailto:brian.rhodes@cincinnati-oh.gov).

**THANK YOU FOR YOUR SUPPORT!**
